To whomsoever it may concern,

Greetings from India Design ID!!!

We take great pleasure in offering this letter of experience to Saumya Jain for partaking in the Student Volunteer programme for INDIA DESIGN ID 2024. The show commenced on 15th February 2024 through to 18th February 2024. INDIA DESIGN ID is the country's most definitive luxury design week which is an OGAAN Media initiative. The show hosts the best of Indian and Global design, architecture and décor.

As event organizers, we worked closely with Saumya Jain, from The Student Volunteer Programme, whose contributions were critical to the exhibition's success. He/She was assigned to give show walkthroughs and interact with VIP architects and designers, their intimate knowledge of the featured businesses provided significant insights to both visitors and exhibitors. Architects and designers praised them widely for their skillful discussions about design concepts, which demonstrated creativity and a remarkable rapport-building ability with attendees.

The volunteer's commitment and dedication to the work was evident throughout the event. Overall, we are confident that he/she would be a valuable asset to any organization. He/She has demonstrated exceptional leadership, communication, and organizational skills, and possesses a wealth of knowledge and experience in the art and design industry. We wholeheartedly recommend him/her for any future opportunities he/she may pursue.
